Sectra appoints Senior Business Manager

The Swedish IT and medical-technology company Sectra, announces the appointment of Chris Varian as Senior Business Manager in International business development.

Chris Varian joins Sectra from Carestream Health where he was Director Worldwide business development for mammography solutions following more than 15 years of international business development experience in PACS and digital imaging in a variety of roles with 3M, Imation and Kodak. Chris Varian will take responsibility for management of International distribution channels and also assist in market development strategy and execution.

“Chris Varian brings considerable experience with him to the role. The appointment gives us strength in our continued growth with both the further expansion of our mammography business and the launch of our newest PACS release, which brings significant enterprise wide-efficiencies,” says Torbjörn Kronander President of Sectra’s medical operations.

Sectra has offices in Sweden, Denmark, Norway, the Netherlands, Germany, the UK, Spain, Portugal, Canada, the US, Australia and Japan. In addition, Sectra operates through partners worldwide.
